## Evans to hold public forums regarding the retail sale of recreational marijuana

EVANS, Colo. – The City of Evans is seeking input from its residents regarding the proposed retail sale of recreational marijuana within the city limits of Evans. The City will hold a pair of public forums that will provide residents with a platform to express concerns and offer opinions regarding recreational cannabis sales in Evans. Additionally, city staff will present research and data that detail the consequences of legal, recreational marijuana sales.

### The public meetings will take place at the following dates, times, and locations:

- Thursday, June 6th from 6:30am-7:30am in the Cottonwood Room at the Evans Community Complex
- Tuesday, June 11th from 6pm-7pm in the Golden Room at the Riverside Library in Evans.

Evans City Council held discussions regarding retail marijuana sales at public, city work sessions in February and March of 2019. Council aims to gather public feedback and further strategic data before proceeding with an ordinance proposal. Currently, Garden City is the only municipality in Weld County that allows the retail sale of recreational marijuana.

"City Council has had several thoughtful and productive discussions regarding retail cannabis sales in Evans," Evans Mayor Brian Rudy said. "Our City Council has put a tremendous amount of research into the subject and we want to hear from our residents. It's their city and we want this to be their decision."

The events are free and open to the public. Please follow the City of Evans on its multiple social media channels to get up-to-the-minute updates from the City.

---

## Live streamed City Council meetings now available

### Evans City Council meetings are now available via live streaming video on YouTube.

The new streaming feature is a tremendous tool for community engagement and government transparency. Residents and interested parties may view the live stream here: [YouTube.com / EvansColorado / Channel](https://www.youtube.com/channel/UCvKvKvKvKvKvKvKvKvKvKvK)

Each Council meeting will be video archived on the city's YouTube Channel. Go to the Evans Colorado channel, and in the Playlist section, click on "Evans City Council Meeting Archives", and search by the date.

Residents are encouraged to subscribe to the City's YouTube Channel. You may do so by visiting the channel and clicking "Subscribe" in the top, right-hand side of the page.

City Council meeting schedule, agenda, and minutes are available at [www.evanscolorado.gov/meetings](http://www.evanscolorado.gov/meetings)

# Help Us Name 34th Street Park

## It's your park and we want you to name it.

The City of Evans is seeking resident's input in naming the newest city park located at 34th Street and 15th Avenue. The beautiful, brand-new outdoor space was opened to the public in December of 2018. Prizes are a stake, so be sure to submit your idea!

**SOMEBODY SAY PRIZES? Yes!** The winner will take home a 30-day, family punch-pass to the City of Evans Recreation Complex. That's a month of free admission to the Rec Center for the entire family!

Evans City Council will review the submissions and pick a winner during the council meeting on August 8th, 2019. The winner will be announced on the city's twitter page on Aug.20 and recognized at the City Council meeting that night. Be sure to follow the City of Evans on Twitter @EvansColorado to be in the loop on city news and to find out if you're the winner!

"The best part is that this is truly our park," Amanda Castle, Evans' resident and City Council Member said. "The city asked us what we wanted here. We told them and they made it a reality. We're so thankful."

Aside from the new park's pleasing aesthetics, the area features a walking trail and pergola. It is trimmed with a 6' concrete loop trail and has room for a potential restroom and playground. With the addition of 34th Street Park, the City of Evans is now home to 13 parks scattered throughout the city. The park replaces the old municipal pool that was a mainstay in Evans for many years. Historic Riverside Park, on the east side of town, held its grand re-opening in October of 2018. Riverside Park had not been in use since the flood of 2013 ravaged the area adjacent to the South Platte River.

## Here's how to submit:

Visit <https://www.evanscolorado.gov/recreation/help-us-name-34th-street-park> and fill out the form at the bottom of the page.

- Name the park
- Enter FIRST, LAST name
- Enter email address
- If you have a twitter account, enter it.

**Hit SUBMIT**

## Mortenson Sworn into City Council

Tammy Mortenson takes the oath to represent Ward II

Tammy Mortenson moved to Colorado in 2005. At that time, she was single and eager to make a difference. Fast-forward 14 years later, she's now married and was sworn into public office, where she'll represent Ward II as a member of the Evans City Council.

"I am excited about getting to know more of the residents of the city of Evans, the people that work for the city and my fellow council members," Mortenson said. "I eagerly look forward to learning all the ways we help and represent the city of Evans."

Mortenson's a full-time property manager in Evans and extremely active in her community. As a proponent of small business, she dreams of unique shops that will make Evans a charming Northern Colorado destination and a variety of grocery store options sprouting up in the Queen City of the Platte. She has grand visions for her city, but knows that sustainable growth can only be completed with the people's support.

"I am friendly and a great listener, eager to hear about people's ideas and thoughts regarding the city we live in. I understand that it is not just one idea or person that can give the answers we need but the community as a whole."

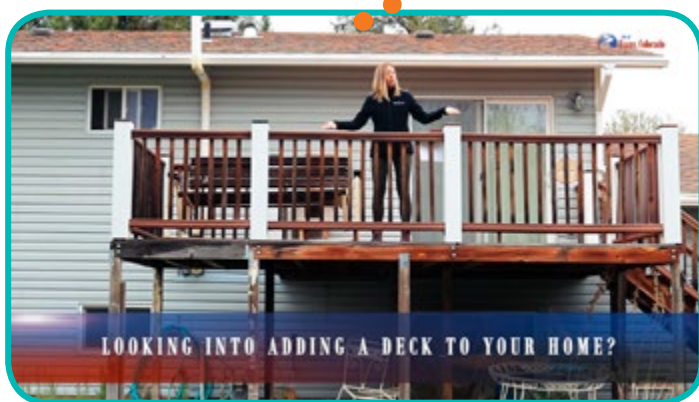

Mortenson replaces Sherri Finn on the Evans City Council after Finn retired from her post in May. Mortenson has lived in the City of Evans for nearly a decade. She hails from Festus, Missouri, where she couldn't help but become a die-hard St. Louis Cardinals fan (though she cheers for the Rockies). Her NFL team is the Green Bay Packers (sorry Broncos). In her spare time, she's an avid reader, cross stitcher, and dog-walker for her fur baby named Chewy.

## READY TO BUILD? Get your Building Permit

One day you're in a bathing suit on your back deck after you've mowed the yard. The next, you're digging your winter coat out of the closet and shoveling snow off the yard. Welcome to Colorado!

Don't let the snow and freezing weather fool you. It's almost summertime and that means building season for many Evans residents. All winter, you've dreamt of replacing your roof or building a new deck. Perhaps you're a proprietor and you're looking to upgrade the appearance of your business. No matter what your building needs are, you'll need a permit to get started.

### Applying for a building permit is easy and there's several ways to make it happen:

- Apply online here > <https://bit.ly/2Jlw1Ln>. If you need a breakdown of the fees, check those out here > [https://www.evanscolorado.gov/sites/default/files/fileattachments/building/page/2864/2019.fees\\_.pdf](https://www.evanscolorado.gov/sites/default/files/fileattachments/building/page/2864/2019.fees_.pdf)
- Stop by and apply in-person at the Evans Community Complex located at 1100 37th St. | Evans, CO 80620
- Call our building permit office: 970-475-1170

We're happy to answer any of your building permit questions and we'd love to see what you've done with your place! Stay connected with the City by following us on our multiple social media channels: <https://compiled.social/EvansColorado>.

# Evans Police Carry the Torch for Special Olympics

## Weld County law enforcement agencies join forces to raise money for Special Olympics

EVANS, Colo. – The weather in Colorado was violent, volatile, and unpredictable in Weld County during the month of May, but mother nature shined on Law Enforcement communities throughout the Centennial State on May 29th and allowed the Special Olympics to take center stage in the annual Law Enforcement Torch Run.

"For me it's huge," Evans Detective Brett Stone said. "It's not only law enforcement getting involved in this, but what a show for the Special Olympics Athletes. It's something that I hold true to myself every year, and I'm honored to run with these Special Olympic Athletes every year."

The Evans Police Department joined forces with 10 other Law Enforcement units throughout Weld County. The annual fundraiser paired agencies with Special Olympics athletes in a county-wide marathon throughout northern Colorado.

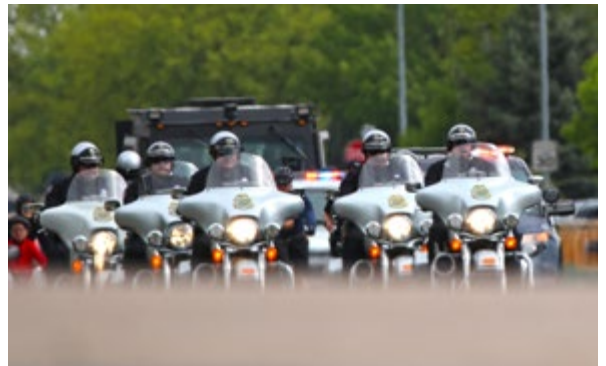

"You have the state law enforcement as a whole that comes together to participate in this, all for the benefit of the Special Olympic Athletes and the organization and everything that they do. It's an unbelievable sight to behold, especially being a part of it, being amongst it and running with the Special Olympic Athletes," Stone said.

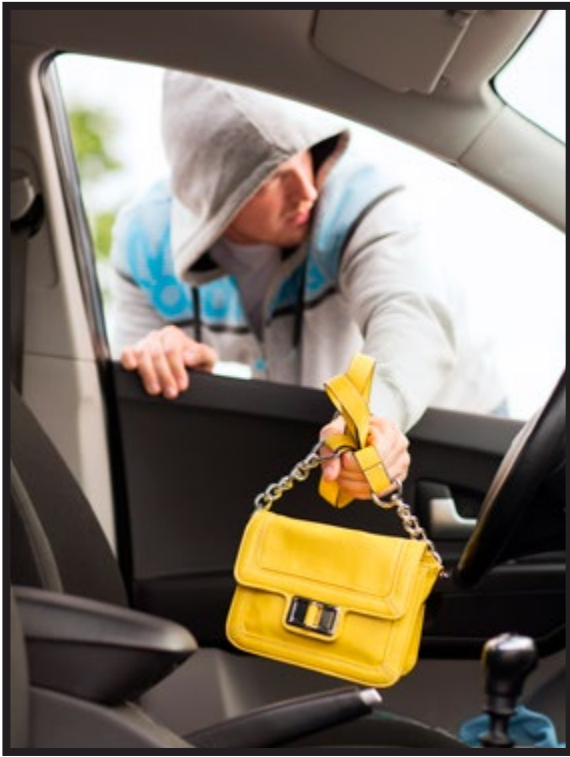

The event was centered around a torch was passed from agency-to-agency. Evans Police received the torch from the Greeley Police Department at 34th Street and 17th Avenue in Greeley and jogged with it to 37th Street in Evans, then east to 11th Street by the Evans Community Complex. The final leg of the Evans' route took them north past 34th Street North, where they handed the torch to the Garden City Police Department.

Total donations from the 13 Weld County Law Enforcement agencies totaled more than \$2,300 dollars.

Final times for each agency listed below:

AGENCY	START LOCATION	DISTANCE	EXPECTED RUN TIME	START/END TIME	05/29/2019 TIMES
Fredrick PD	Fredrick PD	16.4 miles	3 hours 45 minutes	0400-0745	0400-0710 – 35 minutes

Special Olympians &	14th Ave/ 3rd St	1 mile	20 minutes	1330-1350	1111-1123 – 5 minutes

## LOCK IT OR LOSE IT

The Evans Police handled 474 reported cases of property crime in 2018. While that total is down 6% compared to 2017, motor vehicle theft increased from 55 to 67 reported cases during that same span. That's a 22% increase from 2017 to 2018. While it's only a slight uptick in vehicle thefts, it is a reminder that car thieves should not be taken for granted. The Evans Police Department recommends a few, simple habits to detour thieves from breaking into your automobile:

- Lock your car anytime you exit the vehicle. It doesn't matter if it's in your driveway, on the street, or in a public parking lot.
- Don't tempt a criminal or make it easy on them. Take valuables with you anytime you exit the car. If you cannot take them with you, be sure that expensive or valuable items are well concealed.
- Whenever possible, park in your garage or near a street light. Thieves prefer to work in the dark. If you don't have a street light, consider leaving your porch light on after dark.

Evans residents rolled into the **Spring Cleanup** in big numbers in 2019. The annual event was held the first two weekends of May. Total vouchers for both weekends totaled more than 790 than the City collected during the 2018 Fall Cleanup. Overall, it was 277 more than the City's 3-year average. The tire total was 58 less than was collected in the Fall of 2018.

"We always love this event," Evans Code Enforcement Manager Kyle Fehr said. "It's a great opportunity to beautify and unify our city. Neighbors team up to get rid of trash and it helps everyone that lives in Evans."

The bi-annual event takes its turn in the spring and fall of year. The fall cleanup dates have not been set for 2019.

## Join the Evans Parks Department

**We're hiring! Apply today and join our team.**

Spend time outdoors. Beautify the city. Create and maintain clean, public amenities for families to enjoy in our fantastic community. Does that sound like you? If so, you may be a great candidate for one of our openings within the Evans Parks Department.

We're looking to fill three positions:

- Parks Maintenance Tech
- PW Maintenance Tech I/II
- Parks Maintenance Seasonal Workers

### Who We Are Looking For

The Evans Parks Department is seeking qualified candidates that bring a positive attitude to work each day. We're looking for active, solution-minded individuals that want to make a positive impact on their community.

### What You Will Do

Potential candidates should be ready to perform park maintenance duties as instructed by the Parks Management team. Duties will include various combinations of the following: irrigate, mow, weed, trim, renovate, and fertilize turf areas. You may be required to plant, irrigate, prune, and remove trees, shrubs, bushes, and flowers.

During winter months, we clear snow and leaves.

Daily duties include removing trash and debris from rights-of-way, sidewalks, streets, and sports fields. Our crew empties trash receptacles and transports rubbish. We assist in the maintenance and installation of computerized park irrigation systems; assist in the cleaning of parks, restrooms, cemetery, park facilities and public grounds. We conduct safety inspections for all park facilities, playgrounds, equipment and public grounds and inform the supervisor of needed repairs.

You may be asked to perform a variety of tasks involving carpentry, cement, painting, plumbing, and electrical work. Candidates will be required to operate all necessary motorized equipment, including mowers, pickup and dump trucks, pick up truck mounted plows, front end loaders, backhoes, and similar equipment. Employees assist in performing routine service and maintenance on motor vehicles and equipment used on work assignments; maintains daily work and vehicle logs; sands, salts, and removes snow from city parking lots, streets, sidewalks and trails when necessary.

Also, be ready to prepare grave sites for burials. The right candidate may oversee the work of seasonal park maintenance workers and perform other duties as assigned.

### Where To Apply

Interested candidates should apply by visiting: <https://www.evanscolorado.gov/hr/jobs>  
Candidates may also drop off their resume in-person at the Evans Community Complex

## Infrastructure Update

### 37th Street Utilities

The 37th Street Utilities project broke ground during the first week of May and tremendous progress has been made in a matter of weeks. The project began with the installation of Sanitary Sewer beginning at the intersection of 11th Avenue and 37th Street heading west. The City encourages the traveling public to use alternate routes if possible and be extra cautious in the work zones if you have to drive through. Construction will continue west with sewer, followed by waterline construction. Work is expected to continue through November 2019.

The project will progress in three, primary segments:

- Sanitary sewer replacement extending from 11th Avenue to 17th Avenue
- Water line replacement from Latham to 23rd Avenue
- Storm sewer replacement that will be limited to the east of Highway 85, just short of to the railroad tracks

Greeley-based Duran Excavating is the general contractor. The 37th Street Utilities Project will replace undersized and aged utility infrastructure prior to the restoration (overlay) of specific portions of 37th Street in early 2020. As part of the overlay project, curb and gutter will be replaced, handicap ramps will be installed or upgraded, and portions of sidewalk will be replaced.

The 37th Street Utilities Project construction budget is \$2.3 million and will be partially funded through a DOLA grant in the amount of \$1 million. The remaining \$1.3 million be funded through the City of Evans storm and Sewer Capital Improvement Fund.

### 35th Avenue

Despite challenges due to severe and harsh weather conditions, the City is targeting the end of June as the expected completion date for the 35th Avenue widening project. On November 13, 2018 the City of Evans broke ground on the 35th Avenue widening project. The goal is to transform the road into a four-lane arterial standard for north and southbound traffic between 37th Street and Prairie View Drive. Evans' engineers strategically planned the construction so that it would not hinder its residents daily commute. However, residents should expect one-lane traffic at times during construction.

### Ashcroft Draw Aerial Sewer Reconstruction

Work is scheduled to begin on the replacement of an aerial sewer on 49th Street at Ashcroft draw later this year. Traffic will be restricted to one lane temporarily and we encourage commuters to choose alternative routes when possible.

### 2019 Asphalt and concrete work

- Asphalt work has launched on Corvina Court and will shift to Flox Lane in the coming weeks.
- Concrete removal and replacement project will begin in mid-June at various locations around the City

# Happy Father's Day

## Sunday June 16th

## Evans Celebrates 150 Years:

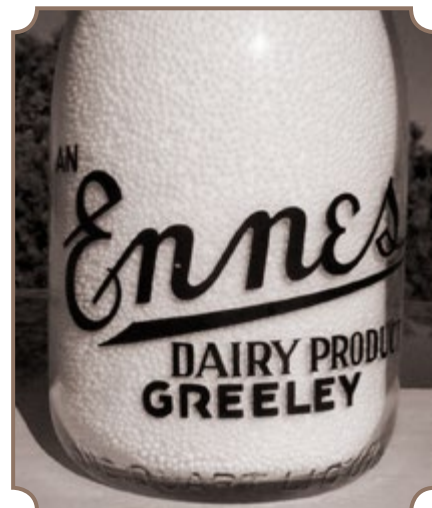

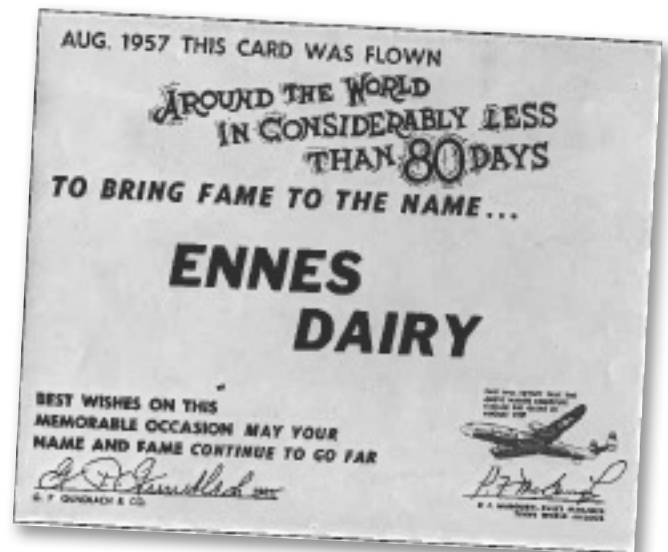

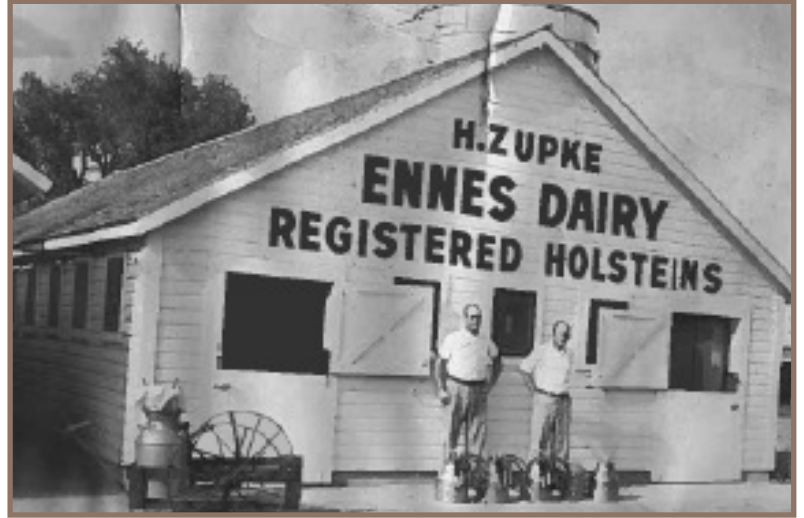

# Remembering the Ennes Dairy

EVANS, Colo. – Summer is finally here, and with the heat comes cravings for cold treats. Nothing hits the spot quite like an ice cream cone in the middle of a hot day, and as we continue to honor and remember the history of Evans for the 150th anniversary of our town, let's take a brief look at one of its historic businesses.

### The Ennes Dairy

Just east of Evans, the Ennes Dairy was opened in 1946 and was created by business partners Oscar Ennes and Herman Zupke. In Sarah Arnusch's book on Evans history simply titled, "Evans," she writes: "producing milk, cream, ice cream, cottage cheese and orange juice, the Ennes Dairy was one of the largest and most successful businesses in Weld County for many years."

Arnusch also goes on to mention how the Ennes Dairy was name-dropped during a promotion for TWA airlines called "Around the World in Considerably Less Than 80 Days," a play on the 1956 film "Around the World in 80 Days." "In August 1957, the G.P. Gundlach Company, makers of dairy products, flew this card around the world on a TWA flight," she writes. Referring to the card pictured here, you can see the sentiment reflected for this successful Evans business: "Best Wishes on This Memorable Occasion – May Your Name and Fame Continue to Go Far."

## District 6 Summer Adventures

### Lets Kids Experience the Evans Police and Fire Academies

EVANS, Colo. – This summer, kids in Greeley and Evans can attend a variety of enrichment programs as part of the Weld County School System's "District 6 Summer Adventures." From June 3rd to June 27th, kids from kindergarten through 8th grade can participate in a variety of different activities at Centennial Elementary and Chappelow Arts Magnet schools in Evans, and Martinez Elementary in Greeley. Not only are the activities free for kids who are already enrolled in K-8 in District 6, but free transportation to the schools is available and breakfast and lunch are also provided.

Among the many summer "adventures" that are planned for kids in 2019 are the mini Evans Fire Academy for kids in 3rd through 5th grade, and the mini Evans Police Academy for kids in 6th through 8th grade.

From June 10th through the 13th kids can attend the Evans Fire Academy at Centennial Elementary which will "cover fire safety, home escape, basic first aid and the job requirements and duties of a firefighter." The program promises hands-on activities that will "provide the students with knowledge and skills to ensure their safety and the safety of others."

From June 24th through the 27th the Evans Police Academy course will be available, also at Centennial Elementary. This course "is designed to build a positive relationship between the students of Evans and their community police officers." Among the vast array of topics this program intends to cover are crime scene investigations, police officer roles and responsibilities, accident investigation, traffic situations, and SWAT.

The Evans Police and Fire Academies are only a couple of highlights of the many different offerings that "District 6 Summer Adventures" has in store for the summer. For more information about the programs and to register for available courses, visit: [www.greeleyschools.org/Page/23041](http://www.greeleyschools.org/Page/23041).

## It's easier than ever to stay in-the-know with the City of Evans!

Subscribe to one of our email subscription lists.

*Here's how:*

- 1) Go to
- 2) Click on the "Subscribe" button at the top of the page
- 3) Select which newsletter you'd like to subscribe to
- 4) Enter your email address
- 5) Click the subscribe button

A screenshot of a web browser displaying the City of Evans website. The browser's address bar shows the URL 'https://www.evanscolorado.gov/newsletter/subscriptions'. The website header includes the City of Evans logo, navigation links (Home, Contact Us, Subscribe), a search bar, and a secondary menu (Departments, Community, City Projects, Doing Business, How Do I?). Below the header is a banner image of the Riverside Library and Cultural Center at sunset. The main content area is titled 'Subscribe' and contains a section for 'Manage your Email Subscriptions'. It prompts the user to 'Select the newsletter(s) to which you want to subscribe or unsubscribe.' and lists five options with checkboxes: 'City Council Meeting Packet', 'Planning Commission', 'The Evans Express - City of Evans E-Newsletter', 'Zoning Board of Appeals', and 'City of Evans News and Events'. Below the list is an 'E-mail' field with a red asterisk indicating it is required. At the bottom of the form are 'Subscribe' and 'Unsubscribe' buttons.
